- The Ergoline Prestige 1100 in Mystic Black gives tanners an extreme experience. 52 x 200-watt Dynamic Power UV lamps provide a deep, rich body tan while the advanced facial tanner system with 4 Ultra Performance high-pressure units and 3 additional UV-B spaghetti lamps leave nothing to be desired. Sealing the Extreme Power package are 2 high-pressure shoulder tanners with Ultra Performance technology.
- Thanks to acrylic panels at the head and foot ends of the sunbed, individual temperature levels are achieved quickly and maintained throughout the session with Temptronic Plus climate control. These panels also help shield against external noise and allow your customers to fully enjoy the impressive 3D-Sound system with its MP3 player dock-in and SD card slot.
- Aqua Mist & Aroma provide a refreshing experience, while the ergonomic Multi Relax base acrylic cradles tanners in total comfort. An innovative cockpit control – with its clear symbols, user-friendly Voice Guide and full text display – grant total ease of use.

## FREESTYLE TANNING

- MOST POWERFUL ERGOLINE HIGH-PRESSURE UNITS
- TWO UV-REFLECTING GLASS SAILS
- HIGH-END COMFORT FEATURES

- The futuristically styled Ergoline Open Sun 550 in its exciting Blue Silver or Magenta Silver color will give your customers the feeling of being in an open top convertible – perfect for tanners who dislike the “closed-in” feeling of traditional beds.
- A.R.T. technology (Advanced Reflective Tanning) makes this possible. Two 800-watt high-pressure units, arranged along the sides of the glass reflector surface on the upper part of the sunbed, project the UV rays right onto the sunbed. Combined with 45 Turbo Power lamps for the body area and a reflector in the shoulder area, the Open Sun 550 provides fantastic tanning results.
- Air Condition Plus keeps tanners comfortable and the wide Multi Relax base acrylic with its integrated headrest, relaxing armrests and variable footrests makes every tanning session especially enjoyable. All of the sunbed’s tanning functions are easily set via the control panel with its intuitive symbols.

## ROCKIN' RULER!

### Absolute Power

This is what we mean by powerful tanning: 30 high-pressure units (3 x 640 watt Ultra Performance facial tanners and 27 x 580 watt VIT Max body units). It's enough power to satisfy the most demanding tanning enthusiast.

### Majestic Design

The elegant appearance in a sophisticated combination of high-gloss and matte finishes is punctuated with the trademark Soltron thematic mold in Kiwi King design. Add to that the appealing interior lighting and you see just how beautiful a sunbed can be.

### Comfort That's Fit For A King

Enthroned your customers on the supremely relaxing Body Comfort base acrylic. With its integrated headrest, armrests and variable footrests every tanner will feel totally pampered. The open air feeling of the Kiwi King along with its supplemental ventilation fans keep clients amazingly cool on such a powerful high-pressure sunbed. In addition, the Kiwi King is generously equipped with a stereo sound system that has an MP3 player connection and SD card slot. Every sunbed function is controlled from the easy to use control panel.

### FEATURES AT A GLANCE

VISIT [WWW.SUNERGO LINE.COM](http://WWW.SUNERGO LINE.COM)

- The Open Sun 1050 Ultra Power makes a statement with 30 high-pressure units perfectly aligned along the canopy and base. With its superior glass reflector technology and filter glass expertise, this Ergoline sunbed demonstrates to the most discerning tanners how powerful, yet at the same time cool and airy, high-pressure tanning can be.
- Comfort features include an ergonomic Multi Relax acrylic, stereo sound package with MP3 player connection and SD card slot and the powerful Fan Cooling Plus system.
- The Open Sun 1050's massive power and features are controlled by a soft-touch panel with 32-field LED display. All operating controls are within easy reach of the tanning client and are marked with simple picture icons. The Voice Guide feature is an available option that explains each function of the sunbed to the customer.
- Underlining its power, the Open Sun 1050 is designed with strong lines, gorgeous ambient lighting, logo illumination, modern high-end colors and Radiant Sterling Blue paint finish. This unit will draw customers from near and far and is a true masterpiece for any salon.

## OPEN AIR FEELING

- A.R.T. – ADVANCED REFLECTIVE TANNING
- FULL AIR CONDITIONING
- VIBRANT COLOR

- UV power takes a different route to the customer in the Ergoline Open Sun 550. Two 800-watt high-pressure UV units, arranged along the sides of the base, project the UV rays onto the glass reflector surface on the upper part of the sunbed. Combined with 45 Turbo Power lamps for the body area and a reflector in the shoulder area, the Open Sun 550 provides fantastic tanning results. The Open Sun 550's unique open air design is perfect for clients who dislike the "closed in" feeling of traditional beds.
- Air Condition Plus keeps tanners comfortable and the Multi Relax base acrylic has a wide shape and includes an integrated headrest, relaxing armrests and variable footrests. The Ergoline Open Sun 550's intuitive control panel is easy to reach and in view of the customer.
- The futuristic look of the Open Sun 550 with its captivating Magenta Silver or Blue Silver color is guaranteed to attract attention. A backlit Ergoline logo, high-quality paint finish, striking lines and color-matched effect lighting accentuate its remarkable look.
